00:23:58 Keith County Area Development (KCAD):
shovel ready lots

00:26:19 Deb Schilz: It was mentioned on the last call that we needed to see what the realtors were hearing in regards to needs for housing - did anyone reach out to them?

00:49:58 Pam Abbott: I think it's a matter of beginning conversations with MPCC and both high schools to see what type of program could be built. It always comes back to funding availability, but may this could be a more sustainable approach to achieve the lofty goal the study has set.

01:03:28 Ken: Need a property manager

01:07:59 Ken: next step is to look at the north business park and figure out where you want housing and where you want businesses.

01:23:36 Pam Abbott: Thank you, everyone.
